

STABLEMATE

STABLECLEANSE

PROFESSIONAL CLEANING PRODUCT FOR THE EQUINE INDUSTRY

A ready for use multipurpose detergent cleaner for hard surfaces which in addition to its excellent cleaning properties leaves a nice fresh pine aroma after use.

STABLECLEANSE contains no harsh alkali or abrasive and will not scratch or stain. Suitable for use on most hard surfaces in stables, horseboxes, stall mats, floors, walls, doors, worktops, ceramics, toilets and paintwork.

STABLECLEANSE is packed in convenient handy size bottles fitted with ergonomic trigger spray that has an adjustable nozzle to provide different spray patterns.

Instructions for use

To operate the trigger spray nozzle 1L bottle:

- Grip the trigger spray as you would to use and with the nozzle facing away from you turn the nozzle end clockwise to open.
- With only a slight turn clockwise the spray will produce a fine mist.
- The more you turn the nozzle clockwise the less atomisation occurs and eventually a focused jet is created.
- To close the nozzle simply turn it anticlockwise until tight.

Cleaning:

- Any heavy soils should be physically removed/scraped from the surface.
- Apply the **STABLECLEANSE** to the surface and allow a short dwell time
- Use a brush or cloth to help loosen soils.
- Rinse with clean water.

Health & Safety:

- Refer to SDS.

The information contained in this data sheet is accurate to the best of our knowledge and belief. No warranty is, however, given or implied. Consult Agma Ltd concerning all non-standard applications.
