

Stablemate™

CLEAN. SANITISE. PROTECT.

By Appointment to
HER MAJESTY the Queen
MANUFACTURERS OF CLEANING & HYGIENE PRODUCTS
SIGMA LTD
HALTWHISTLE NORTHUMBERLAND

Caring for
Equine health
and well-being.

Equaroma™

A relaxing herbaceous fragrance to help both horses and humans to relax and unwind.

Using high quality essential oils, Equaroma creates a calming and renewed atmosphere by replacing foul odours with the unique and uplifting scent of lavender and eucalyptus. It can be used everyday as part of your mucking out routine. Simply spray under and over new bedding. It's as easy as that!

Boxfresh

A pine based multipurpose detergent concentrate with excellent cleaning properties that cleans and deodorises leaving a fresh pine aroma after use.

Boxfresh is a heavy duty, multipurpose stable cleaner. Also safe and ideal for use in steam cleaners, auto/jet washer/scrubbers giving superb results on stall mats, rough and smooth surfaces in stables and horseboxes, including concrete.* An easy to dose bottle means a quick and easy preparation of the working solution everytime.

*Ring for details

Cleanse

A ready for use, highly efficient and multipurpose detergent cleaner for hard surfaces. In addition to it's high quality and excellent cleaning properties, Cleanse leaves a fresh pine aroma after use.

Ideal for most hard surfaces in your stable or horsebox, just spray on to those stubborn stains and leave for a short period of time. Give it a good scrub and a wipe to remove all the dirt. This is great in the winter to use on walls for spot cleaning, because who wants to soak their stable in freezing conditions? Cleanse is a must for your daily clean!

Dis-in-fect

Effervescent tablets providing a cost-effective disinfectant with high dilution rates, accurate dosing and long shelf life.

For DEFRA General Orders simply add 3 tablets to 5 litres of water. Independently tested to confirm virucidal activity EN14476:2013+A2:2019 and to be effective against Strangles EN 1656:2009, EN 14349:2012 and Ringworm EN 1657:2016*

What our customers think

"Love them - my barn/stables smell gorgeous and the odour lasts"

Hilary Fitzsimons

"I'm loving the new AGMA range of equine disinfectants, it's now part of my daily stable cleaning routine"

Jo Holme

"I would highly recommend the full cleaning range"

Loren Ovall

Our top tips for event biosecurity

Avoid handling any horses that are not your own

Stick to using your own equipment (headcollars, haynets, buckets, feed, tack etc.)

Always pack cleaning and disinfectant spray/wipes as part of your standard event kit

Immediately isolate any horse suspected of having an illness and seek veterinary advice

AGMA's story

Hi, we are the Franklin's, developers of Stablemate by AGMA. AGMA is a family owned British company by Royal Appointment to Her Majesty the Queen, Manufacturers of Cleaning & Hygiene Products since 1982.

We are a company that strives to satisfy the needs of our customers. Our dedication to this, alongside continuous product improvement, has enabled us to grow year on year. We were very proud to celebrate our **50 year anniversary** in 2018, which we believe to be a huge achievement.

However, it was our beloved horse **Trip to Paris** (AGMA workforce mascot and 2015 Gold Cup Winner at Royal Ascot) who proved to be the inspiration behind the development and creation of a cleaning range for the Equine industry.

Since his arrival we have become passionate about providing high quality, effective products to help keep the environments of our horses **fresh, clean, and most importantly, disease free.**

We hope that you will enjoy using the Stablemate range (as much as we do) to enhance your regular cleaning regime and provide a safe and comfortable space for your animal.

Happy cleaning!

The Stablemate team.
