Cleanse

Professional Cleaning Product for the Equine Industry.

A ready for use high quality and highly efficient multipurpose detergent cleaner for hard surfaces which, in addition to its excellent cleaning properties, leaves a nice fresh pine aroma after use.

Cleanse can be used as part of your regular daily cleaning routine:

With no harsh alkali or abrasive Cleanse will not scratch or stain. Suitable for use on most hard surfaces in stables, horseboxes, stall mats, floors, walls, doors, worktops, ceramics, toilets and paintwork.

Cleaning:

- Any heavy soils should be physically removed/ scraped from the surface.
- Apply Cleanse to the surface and allow a short dwell time.
- Use a brush or cloth to help loosen soils.
- Rinse with clean water.

Cleanse is packed in convenient handy size bottles fitted with ergonomic trigger spray that has an adjustable nozzle to provide different spray patterns.

Instructions for use:

To operate the trigger spray nozzle 1L bottle:

01. Grip the trigger spray as you would to use and with the nozzle facing away from you turn the nozzle end clockwise to open.

3. The more you turn the nozzle clockwise the less atomisation occurs and eventually a focused jet is created.

01. With only a slight turn clockwise the spray will produce a fine mist.

04. To close the nozzle simply turn it anticlockwise until tight.
