Stablemate™

QUALITY SINCE 1968

Equaroma™

Professional Environmental Reodourant for the Equine Industry.

Equaroma spray has a fresh, clean aroma derived from pure calming lavender and high quality essential oils. The relaxing herbaceous eucalyptus fragrance can help both horses and humans to relax and unwind.

Equaroma can be used as part of regular daily cleaning routine:

With the horse out of the stable carefully and thoroughly remove any soiled bedding. Finely mist the whole area liberally and evenly before adding new bedding.

It can be used as part of your Complete/ Deep Clean regime:

With the horse out of the stable and after complete removal of all bedding and subsequent deep clean, spray the entire stall before and after the addition of new bedding.

Equaroma can also be used in empty trailers, horseboxes and temporary stalls prior to use.

Equaroma is packed in convenient handy size bottles fitted with ergonomic trigger spray that has an adjustable nozzle to provide different spray patterns.

Stablemate™

QUALITY SINCE 1968

Instructions for use:

To operate the trigger spray nozzle 1L bottle:

01. Grip the trigger spray as you would to use and with the nozzle facing away from you turn the nozzle end clockwise to open.

01. With only a slight turn clockwise the spray will produce a fine mist.

3. The more you turn the nozzle clockwise the less atomisation occurs and eventually a focused jet is created.

4. To close the nozzle simply turn it anticlockwise until tight.

Health & Safety:

Refer to SDS.
